

RBI TRAINING CENTER CONDUCT CODE

1. All players under the age of 18 must have adult supervision while working out at the training center.

2.
 - a. Any player coming into the facility for the purpose of practicing and/or using equipment in the facility must be responsible for cleaning up the used area and any equipment. If found that any player/parent does not abide by this rule, all open-door privileges may be suspended.

 - b. Any player found to be misusing or damaging property of R.B.I. Training Center or R.B.I. Red Wings will be dismissed without warning immediately.

 - c. All team members must be in charge of cleaning up after themselves at the end of each practice session.

 - d. Under no circumstances are any siblings of players allowed to use the facility if they are not part of the R.B.I. Red Wings organization or a member of the R.B.I. Hitting Club. THIS WILL NOT BE TOLERATED.

3.
 - a. Using foul language or disrespecting any player, coach or staff member within the organization will not be tolerated. This is reason for immediate dismissal.

 - b. All parents must maintain professionalism towards the coaches, training staff, and R.B.I. Red Wings players at all times. Violation of this rule may result in the player/parent being dismissed without warning.

 - c. No parent under any circumstances will be allowed to approach any coach about their child's playing time at any tournament. There must be a 24-hour waiting period after the end of the tournament before a parent can approach the Complaint Manager regarding this matter.

 - d. All waiver forms must be signed and dated before any player is allowed to participate in any part of the conditioning and/or training activities.

I acknowledge and agree to the rules and regulations above and understand that at all times they are to be followed. I understand that if not followed according to the above, this may result in immediate disciplinary action or dismissal from all R.B.I Training Center and R.B.I Red Wings Events.
